Gerringong Public School Term 1 Week 5

Fortnightly Newsletter Term 1 Week 5 28th February 2022

PRINCIPAL'S MESSAGE

Dear Parents and Carers

Already there is alot being planned for this term at Gerringong Public School. We have had great feedback with the new digital notes system through SchoolBytes. This Wednesday 2 March all students will be able to participate in the “Sticks and Stones” performance by Brainstorm productions. If you haven't been able to access SchoolBytes through your email, please inform the office. Payment is required before Wednesday.

Apologies for the back oval gate not being open regularly in the first week or so of school. We now have a roster and staff will open the back gate at 8.30am and close at 9.00am. Mr Campbell will re-open the gate when the bell goes at 3.00pm.

Thank you for your understanding and informing the school when staff are absent. The back oval gate has also been closed due to heavy rain and flooding. Apologies for any inconvenience.

School attendance is compulsory. The office staff are being inundated with phone calls regarding students needing to be picked up early, or plans being changed, every afternoon. We understand that emergencies occur throughout the day, however, these many interruptions for the office, then interruptions to classrooms hugely impacts on student learning. I request that families be mindful when contemplating calling the school for changing their arrangements, particularly at late notice. Please have a conversation with your child each morning so they know how they are to get home at 3pm.

Also thank you to parents who are moving through the Kiss'n'Drop quickly and using their indicators to let fellow drivers know of their intentions. Your care and vigilance in this keeps everyone safe. Thank you.

Sports Report by Mrs Ryan

What a huge few weeks of sport we have had!

GPS Swimming Carnival- Congratulations to all those swimmers who attended our school swimming carnival 2 weeks ago at Albion Park Swimming Pool. All the teachers were so impressed with your behaviour on the day. A massive thank you to our wonderful parent helpers who assisted with timekeeping on the day.

District Swimming Carnival- We had 31 swimmers qualify for District. District was held last Wednesday 23rd February at Albion Park Swimming Pool. A little bit of rain did not stop our students from having a great day! We had 14 students qualify for individual events at Regional level, and our incredible 4 relay teams came first or second. The Regional Swimming Carnival will be held on Wednesday 9th March at Dapto Pool.

Congratulations to the below students:

A huge thank you to Mrs Miller and Mrs McPhillips for attending the carnival and supervising the students (and giving up their umbrellas so the students could stay dry) and to our two parent helpers, Kate Mathies and Alex Cross.

Upcoming Sporting events

We have a large number of sporting events coming up this term. Tongarra trials for soccer and touch football were postponed last week, and new notes will be handed out as soon as we receive them.

School trials will be held for a number of sports and will be communicated to students as they arise.

League Legends Rugby League and League Tag gala day – will be held on Thursday 10th March. A note will go out early this week for those students interested in attending.

Tongarra District Sports Association

We are encouraging all parents to utilise the information on the Tongarra website and Facebook page. This is kept up-to-date and should be your first point of contact. Please search "Tongarra District Sports Association[1]" in your facebook search bar or go to [2]https://tongarra.primarysport.com.au/ for the website.

COVID-19 Update on School Settings

The Premier and Minister for Education have announced changes to school settings for the remainder of Term 1. These updated settings were developed in close consultation with NSW Health and key stakeholders to ensure we continue to keep our schools open for learning, while keeping up with changing community settings.

The updated settings include:

- From Monday 28 February, the use of RATs will move to symptomatic testing.
- Tests are to be used at your discretion such as if your child is symptomatic or there are cases in their class.
- As of Monday 28 February, students will no longer be required to be kept in year groups or other cohort.

[1]https://www.facebook.com/TongarraSports/
[2]https://tongarra.primarysport.com.au/

- From Monday 28 February, visitors can be allowed back on school sites regardless of their vaccination status. This means that you will be able to enter the school to drop off or pick up your child.

All visitors are asked to follow our usual sign-in and sign-out process at the office. Please note: there is no need to sign in for morning drop off or afternoon pick up. Masks will continue to be required indoors for all school staff, volunteers and visitors including parents and carers in primary schools until Friday 4 March.

This means that from Monday 7 March, masks will no longer be mandatory for all staff. The reason why primary schools are one week longer than secondary schools, is that NSW Health is allowing additional time for primary age students to be vaccinated, if their parents choose to.

Our school will continue to ensure our layered COVID-smart measures are in place, including staff vaccinations, maximising natural ventilation in learning spaces, continued good hand hygiene practices and enhanced cleaning.

Thank you again for your continued support during this school term.

Student Representative Council (SRC)

Congratulations to our 2022 school council reps. They will join our student leaders and myself in guiding our school forward in 2022. Our first meeting will be Thursday 3 March at lunch time.

Class News

Last Thursday, Kindergarten read The Rainbow Fish and then went on a search around Gerringong Public School to find the missing Rainbow Fish. The Rainbow Fish was playing tag and had hid in all the popular places at GPS. While trying to find him, Kindergarten discovered lots of new places they may not have yet visited including the Bush Tucker Garden, The Yarning Circle, Canteen, Hall, Front Office and more!

In 5/6B they began studying novels in their Literacy groups. It is just like a great book club where we discuss the book and talk about the characters, themes and settings.

On Monday the 21/2/22 we had a visit from the Dragons Community Manager Adam Bezzina. He talked about the 'Best You Can Be' program that we are running through Stage 3 in Semester 1. The program encourages us to take responsibility for our day-to-day routines, our physical and mental wellbeing and

asks us to think about how we treat others. It was a great start to setting up our year for positive results in the classroom and on the sporting field.

Thanks again to the Dragons for dropping by Gerringong Public School.

1S learning all about complimentary colours on a rainy Thursday afternoon. How cute are these little monsters!

Ethics updates Term 1 2022

Ethics classes began last week and 120 students are enrolled from Kindergarten through Year 6. As of now our Kindergarten, Year 1 and Year 5/6 classes are full, and we have limited spaces available in Years 2, 3 and 4. Students can opt in or out by contacting the office.

Our lessons are based on interactive conversations, facilitated by a trained teacher, designed to develop ethical reasoning, collaborative inquiry and critical thinking.

Lessons for the first term will cover the following topics:

Kindergarten	Stage 1 (years 1 & 2)	Stage 2 (years 3 & 4)	Stage 3 (years 5 & 6)
• Questions, puzzlement with what is ok • A big important question	• Pride • How important are the reasons? • Are you the same person you used to be?	• Being selfish • Staring, excuses and reasons • Disagreeing respectfully	• A fair society • Appeal to authority

For more information on the Primary Ethics program go to:

OFFICE NEWS

School bytes

Our school is moving to online permission notes provided through a system called School Bytes. We've used this system for a number of years now to email Newsletters, statements of account and payment reminders to parents/carers, and are now expanding its usage.

Moving forward, when an activity requires your permission such as an excursion, you will receive an automatically generated email with a link you can click on to open the secure online permission form. This form will contain information about the activity as well as a section for you to complete and sign (with your mouse or finger). If the activity involves a cost, there will be a 'Make Online Payment' button on the form.

All emails will be sent from noreply@mail.schoolbytes.education so please ensure this is not marked as spam/junk. Should you have any questions about this new process, please contact the school office.

Payments

Online payments are Gerringong Public School's preferred method of payment. Other payment options include: cash, cheque and eftpos (at the front office). Just a reminder that over the phone eftpos payments can no longer be taken and please ensure all cash payments are clearly labelled.

2022 ETHICS CLASSES AT GERRINGONG PUBLIC SCHOOL

NEED VOLUNTEER TEACHERS

***Primary Ethics* is looking for volunteer teachers for Gerringong Public School.** Ethics classes run weekly on Wednesday mornings and are delivered by trained volunteers using Department of Education approved lesson materials.

The ethics curriculum is available for children from kindergarten through to year 6. Ethics classes are discussion based, covering a range of age-appropriate topics. Children learn to express their own views as well as to listen carefully to, and consider, the views of others.

The mission is to support children to develop skills in ethical reasoning, critical thinking and respectful discussions. Children gain skills to assist them throughout life.

Experience is not required, volunteers just need to be willing to facilitate the classes and be comfortable working with children. Comprehensive training and lesson materials are provided.

Becoming an ethics teacher can be a very rewarding way to be involved in your school community and you would be joining our current team of experienced volunteer ethics teachers.

For more information and to express interest in teaching

- go to https://primaryethics.com.au/volunteer/ethics-teacher/
- call 02 8068 7752 or
- locally email Carrie at gerringongethicscoordinator@gmail.com

P and C News

It was wonderful to see some new faces around the table for our first P&C meeting of the year. A number of parents also took up the option to join the meeting via zoom which was fantastic. GPS Principal Kristie Goldthorp presented on the draft of the GPS School Improvement Plan as well as the reasons behind slight changes to bell times and upcoming activities in the school community.

Please keep in mind that P&C meetings are a great way to keep informed on what is happening and gain an understanding behind decision making at school.

We look forward to welcoming even more new faces at our next meeting on **Monday 21st March** at 7pm in the staffroom. Remember that all positions for 2022 are filled so you won't be given a job!

After a difficult couple of years due to Covid, our fundraising team are excited to get fundraising back on track in 2022! Our first event of the year will be a Massive Easter Raffle which will be drawn at the end of the term. We would greatly appreciate it if your family could please donate an Eater Egg or two which will contribute to our prizes. The eggs can be dropped at the front office.

- Email from Joy Fullagar:

  To Gerringong P&C
  I would like to extend my sincere thanks for the lovely gift that I received at the Year 6 Graduation Assembly 2021. Over the last 15 years I have been so fortunate to work with so many wonderful parents through the P&C and other areas within the school. It has been a pleasure to work with so many dedicated, talented, and hardworking people who always have the best interest of the children as a priority.
  I wish you all the best in 2022 and in the future and thank you once again for your support, advice, and friendship during my time as Principal.

  Regards
  Joy Fullagar

Principals Report: (Kristie Goldthorp):

- Very happy to be back and to have all kids able to attend school. Despite 2 x positive cases reported, we've been fortunate to carry on, with little impact.
- Next rollout of RATs - 11 March. Parents will be updated
- COVID cleaning - will continue. 2 x new cleaners started today. Carpets were done over the weekend.
  Current advice on hand sanitiser and masks is likely to continue until end of T1 but we're waiting for further updates.
  Activities have been able to continue - sport, music etc.
- Survey to parents - overwhelmingly positive to continue partnership with Mark Holder-Keeping & Wollongong Conservatory
  Beginner band will run all year
- RFF timetable and bell times:

  Crunch'n'Sip now in middle session:
  9.00am- 10.45am Morning session

10.45am-11.40am Lunch
11.40-12.40 Middle Session 1
12.40-1.40 Middle Session 2
1.40-2.00 Recess
2.00-3.00pm- Afternoon session

With middle sessions to be filled with - art, music, PDHPE, measurement, handwriting, social skills - as part of their weekly RFF time.
So far, this is working really well though we're open to feedback as we navigate the change in meal and class times.
Acknowledgment that middle session is very long, encouraging staff to ensure movement and brain breaks.

- Brainstorm - Sticks & Stones - anti-bullying onsite workshop
  Also spending some time working on code of conduct with students to ensure everyone is aware of, and adhering to.
  Changes being brought in from the Department - Kristie to analyse this in relation to GPS and present info to staff and P&C
- Clean up Australia Day - Friday 4th March. GPS will be doing this in Elamhra, Old School Park and the oval during sport time, based on stage groups.
- NRMA road safety day & ride to school day
- Grandparents Day is currently scheduled for Wk10 but will wait to see what restrictions are in place before locking in - potentially defer to term 2 if it means we can get everyone on site.
- Upgrade to Belinda Street crossing - $100k project by Kiama Council. It won't be a pedestrian crossing, it will be a chicane.
- School Strategic Plan - opening up to people who are willing to be part of a working group to attend an executive meeting and go through SIP in much more detail.
  Please submit EOI to gerringongpandc@gmail.com
  Three strategic directionsAreas of focus:
  - Student growth and attainment
  - Professional Practice - Lots of change coming from the Department - important to ensure teacher PD is incorporated into the plan to keep up with this.
  - Connected Communities

  Once approved by the area Director, this will be shared with the P&C.

Financials: (Kelly Hallinan):

- P&C Account - $49,439.03
  Canteen - $29,457.77
  Uniform - $28,962.83
- Discussion: that there is a lot of money in the bank, would be good to have a fundraising goal - tech update? More discussion to follow including discussion with staff to feedback this info. Open to suggestions from school community.

Canteen:

- Canteen report to be delivered next month.

Uniforms: (Michelle Hingle)

- Uniforms have already sold out - waiting on more:
  Shorts available 1st March
  Sports Shirts (all sizes and colours) available mid March
  Skorts available May - these take 16wks via sea. Nothing can be done to speed up this process.
  Jackets (sizes 8, 12 & 14) available approx 28th March
  Library bags available first week March
  Everyday polos available first week March
- Michelle is looking for someone to take over the Uniform role. If you're interested please express your interest

Fundraising:

- Aiming for 3-4 fundraising options per term
- Term 1 - Outdoor cinema, donut drive, sausage sizzle at election, Easter Egg raffle.
- During the year - Mother's Day Stall, parents social night, kids social day - not on the same scale as Colour Run but in that same vein.
- Fundraising committee is open to suggestions and volunteers at any time.

General Business:

- School gate opening time - this has to be manually opened and there appears to have been a miscommunication, causing some delayed gate openings. There is a roster in place for the RFF teachers and this issue should be resolved now. It is important to remember that gates are manually opened and, at times, there will be issues which stop this happening.

- Homework - interested to know if homework will extend beyond home readers? Can there be an option for maths.
  Current policy at GPS is no homework - should parents be re-surveyed?
  Agreed that communication to parents could potentially be improved about what is happening in the class so parents can extend on this at home, should they want to. Some suggestions for how to do this.
- Government announcement re. changing school times. We have no further information about this at this time.
- P&C t-shirts available for purchase. Contact Leanne if you're interested to buy one.
  Suzy moved a motion to buy a few t-shirts to loan to volunteers.
  2nd - Amanda Durante
- Oztag tournament - lots of kids and parents who are interested and willing to help facilitate. More info to follow for further investigation. Worth noting that we are currently involved in a lot of extra curricular and it's important to balance this with school attendance.
- Uniform recycling update - collected 85kgs in total between Kiama High and Gerringong Primary.

Next Meeting: Monday 21st March

Meeting closed at 8.39pm

EXPOSURE TO LOUD SOUNDS CAN CAUSE HEARING LOSS
Check and protect your ears today!
Over 1 billion young people are at risk of permanent hearing loss due to unsafe listening practices. Are you and your family sound aware? Do you have your volume up too loud, for too long?
Sound is measured in decibels. Rustling leaves measure 20dB, a jet engine 120dB.
Adopt safe listening practices to protect your ears. Limit exposure to loud sounds to under 15mins a day.
