PRINCIPAL'S MESSAGE

Dear Families

Grandparents Day: CHANGE OF DATE

It is with great disappointment that due to risk assessment, we need to change the date of Grandparents Day. Our school roof is being replaced and we had hoped that the new roof would be installed and all scaffolding removed by June 23rd. Unfortunately, there has been a delay in supplying the roof sheets. This means that our school site would be unsafe for a large number of visitors (additional 300 grandparents/parents). We sincerely apologise but due to work safe practices we are required to change the date.

The new date will be Thursday September the 22nd – the last day of Term 3 for our students. We are going to combine this event with Book Week celebrations, so get your book character outfits at the ready! An invite and more information will be sent home in Term 3.

If your grandparents have made plans to travel from inter- state to visit our school on June 23rd and are unable to change their plans, they are still most welcome to visit on that Thursday and share lunch with your grandchild/ren down on the oval. Please could you let your class teacher know by June 17th.

P & C Movie Night

A big thank you to our **P&C committee** for an amazing and cozy Movie Night last Friday. Many students had a great time watching the film Clifford. A special mention to Vanessa and Matt Bragg for donating all the money from their Gelato Bike, an amazing $800.00 on gelato alone was raised. Also the P&C have donated $200 for every classroom for additional games and puzzles. The library will also receive 2 new round bookshelves. Thank you P&C and families for your continued support and fundraising. Our children and staff are so appreciative.

If any families have any unused games, lego etc we would welcome the donations. Please leave at the front office. Thank you.

Cross Country News

Congratulations to Gerringong PS- we won the whole carnival and we have 19 students who will be representing Tongarra at the Regional carnival this coming Friday. Mrs Ryan was so impressed with our 3 amazing prac teachers, they went above and beyond and she was so proud of the students and the prac teachers. Also a big thank you to Mr D for leading our team with Mrs Ryan.

SRC News

The SRC have met with Mrs Baines and myself this term and have decided they would like to raise money for Beanies for Brain Cancer again this year. They would also like to have a special Hot Chocolate and Hot Dog Day to coincide with the fundraiser. Once I have spoken to our amazing canteen ladies, Jackie and Catherine, we will let you know dates of the event through Class DoJo!

Primary students have also voted on a new school jumper with our logo. Once these have been ordered, we will let you know. **Students must wear full school uniform- no sports jumpers or coloured jumpers other than our school jacket or navy fleece should be worn Monday- Thursday**. If students have been a PSSA representative, they can wear their sports jumpers on a Friday with the sports uniform. Thank you for following our school uniform policy.

If you have any trouble obtaining a uniform, please let the front office know.

Reconciliation week

Last fortnight we acknowledged Sorry Day and celebrated Reconciliation week. Thank you to Aunty Gwenda Jarrett who did our Welcome to Country, and to students for their great stories, singing and art work. Aunty Gwenda was so impressed with what is happening in Aboriginal Education at Gerringong PS, she requested to display the student's artwork at a large ceremony this weekend for visiting Aboriginal women.

5/6B have been working on the 'Best you can be' Program in conjunction with the Illawarra Dragons, Woolyungah Indigenous Centre and University of Wollongong.

Last week during reconciliation week they entered a competition to design a new logo for Gerringong Public School using our Indigenous links to First nation's people. Their culture, their uniqueness, their respect of 'Country'.

Year 6 Shines Bright in the Lab

What do epidemiology, fireworks and the electron configuration of atoms have in common? Well, a lucky group of Year 6 Scientists found the answer to this question and much more in a visit to Mr McKay's Laboratory last week. The students conducted experiments to model how disease moves through a community, reinforcing the Science we have all been following over the last few years. Then the students moved into the dizzying world of Chemistry, experimenting using flame tests of different chemicals, linking them to the colours produced during fireworks demonstrations.

It was clear that all students had a wonderful and learned a lot from their visit to the lab. The Science Faculty cannot wait to have them back in the lab again soon.

LIBRARY NEWS

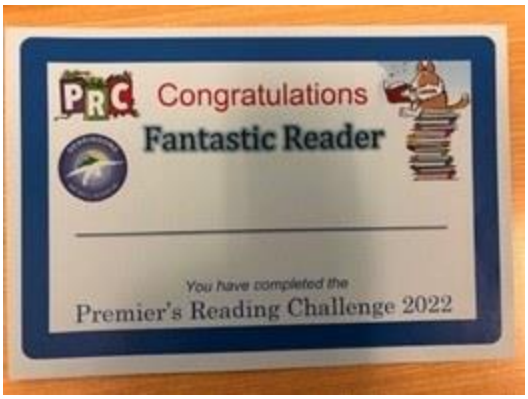
Grandparents Day

It is disappointing that the date for our grandparent celebrations has to be changed, however, we look forward to an even bigger and better event on the last day of Term 3 , Thursday 22nd September. We are going to combine our grandparent celebration with Book Week, so seniors – you have a whole term to get your book week outfit ready!

Each year during Grandparents Day we have beautiful books that can be donated back to the library. This year we have hundreds of new books since Covid has meant the fundraiser could not go ahead. Books can be donated to the library for $5 each. Children will have their name placed on a special Grandparent's donation label that is placed in the book. If you would like to support our school and your grandchildren before our event next term, you can donate online through this link:

https://gerringong-p.schools.nsw.gov.au/payment.html#/student-details Please write your grandchild's name in the "Statement or invoice number (optional)" box and type "Library book donation".

Premier's Reading Challenge



Your child may already have received an award for completing the Premier's Reading Challenge. All our students are taking part and children in years 3 to 6 are encouraged to record their own reading. If your child is in K-2, instructions on how to record their reading can be found on the Library Dojo page. Parents can send me a private message on that site and I can send them their child's DET username and password.

https://files.classdojo.com/dojofiles/4d5e811be5e02287ae241112/2022-05-24/b270da7314e141bf1c6d5815ed01127060ef2de2_058d5060e18a/b65cf3f4d732.docx

Great reading is happening at Gerringong, so keep encouraging your children to borrow the books with the red (k-2) the green (3-4) and the purple (5-6) tags

School bytes– Online Permission Note

As you would be aware we are now using the online permission notes through the School Bytes system. The feedback we are receiving has been positive and we do understand that for some it may take a bit of getting used to. A great suggestion would be to add the particular event to your electronic calendar and mark the email received as important so you are able to retrieve the event information easily. Alternatively the permission note can be printed.

We value any feedback, please contact the office with any questions or suggestions.

Payments

Online payments are Gerringong Public School's preferred method of payment. Other payment options include: cash, cheque and eftpos (at the front office). Just a reminder that over the phone eftpos payments can no longer be taken and please ensure all cash payments are clearly labelled.

Thank you to the Gerringong Public School community for turning up in such great numbers at our Movie Night Under the Stars.

The fundraising committee would like to thank all of our helpers from the night. Our canteen workers, barbequers and ticket sellers, all did a fantastic job, and we would not be able to run these events without their help. We would like to give a special shout out to Matt and Vanessa Bragg who came along to the night with their Gelato Bike. Vanessa and Matt provided their time and product to us for free and donated all takings to the P&C. We would like to thank Matt and Vanessa for their amazing generosity.
