Fortnightly Newsletter Term 2 Week 4
2023

15th May

PRINCIPAL'S MESSAGE

Dear Families

Congratulations to Gerringong Public School Cross Country team. They won the overall point score and we are the Champion school in the Tongarra district. Every runner contributed to this wonderful result.

Mother's Day 2023

I hope everyone had a fabulous Mother's Day on Sunday. A big thank you to our P&C mothers and grandmothers who helped out at the school stall. I know the students had fun selecting their special gifts!

This week is National Road Safety week and this Friday 19 May is National Walk Safely to School Day. We are encouraging everyone to walk to school and take care on our roads. Students this week will be discussing road safety in their classrooms. Just a friendly reminder for parents, don't forget to indicate when entering and leaving 'Kiss and Drop' zone. 'Kiss and Drop' is a safe way for students to come to school. Please do not leave your vehicle or park your car. Thank you.

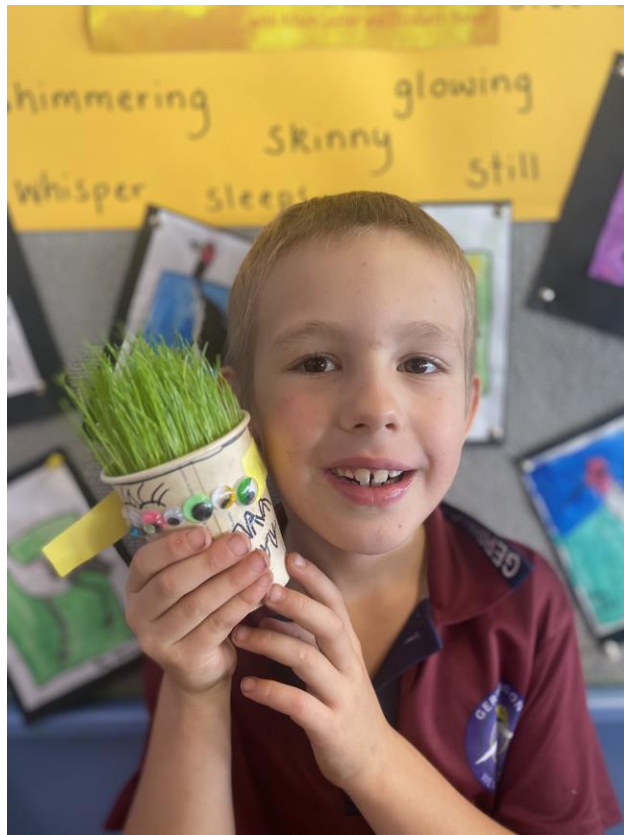

Class News

2JB

As part of their Science unit on Living Things, 2JB had fun growing and observing their very own 'grass people'. I was impressed by the creativity of our students' designs - from rock stars and karate kings to 1000 eyed monsters. Everyone learned a lot about the features of plants and the conditions they need to grow. Of course lots of fun was had giving their plants haircuts at the end of the project. Hands-on learning is so much fun!

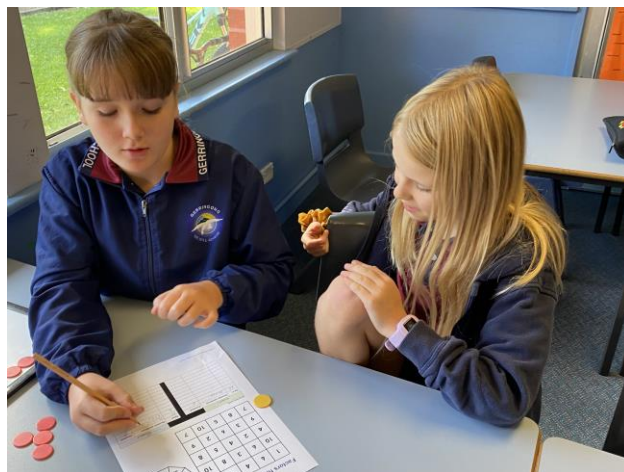

5MH

In 5MH we have been working on using flexible problem-solving strategies in Mathematics. This allows the students to develop their critical and creative thinking skills as mathematicians. Communication, teamwork, reasoning and resilience are all important. This journey will continue throughout the year.

3BM

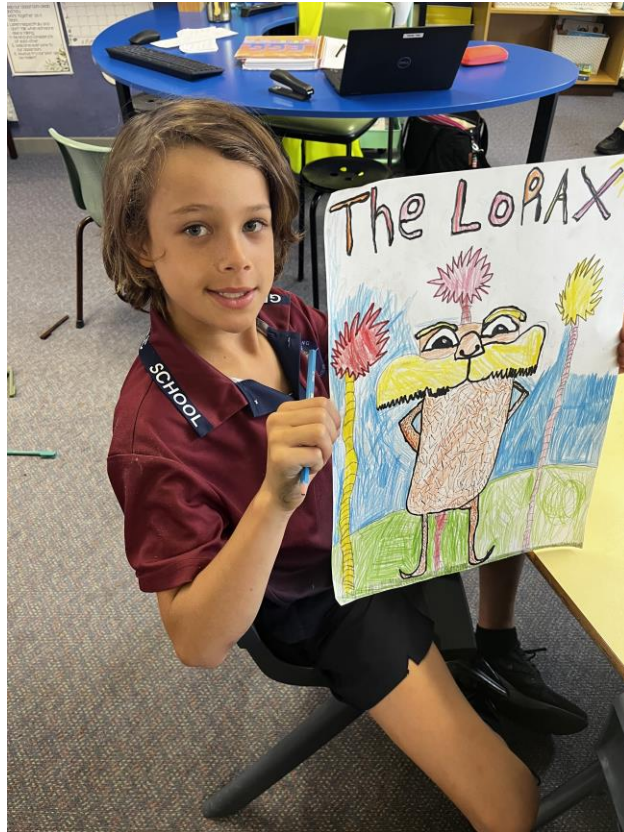

"UNLESS someone like you cares a whole awful lot, nothing is going to get better. It's not."

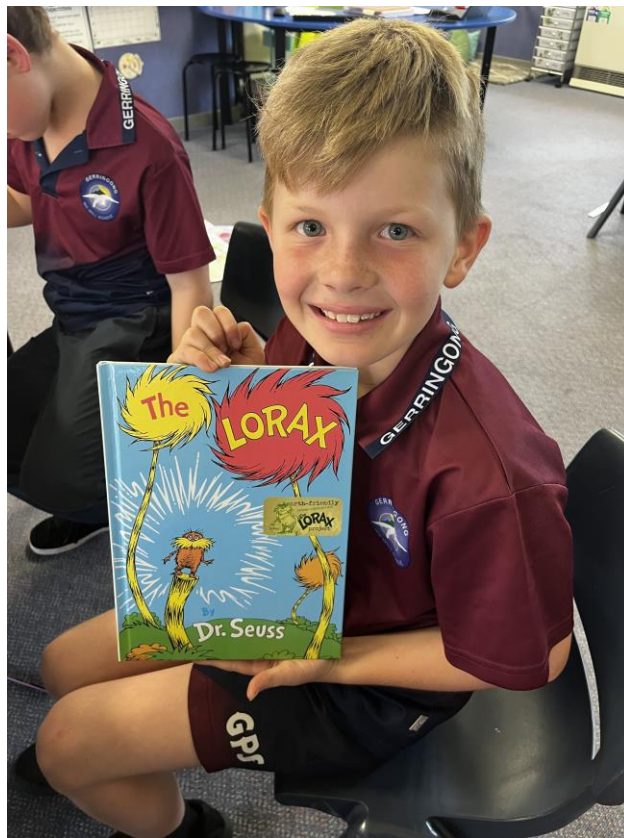

3BM are studying *The Lorax* by Dr Seuss as part of our Term 2 Literacy Unit on Persuasive Writing. We are looking at the question "Should humans cut down trees?" and the impact this has on our environment. We've had lots of lively whole class discussions, and everyone has been very keen to share

their opinion on what they believe is right. We are now working on transferring this passion into creating strong persuasive writing samples.

We have extended this study to our Science Unit on Living Things and have even drawn pictures of the Lorax and his Truffula Trees during Creative Art time to decorate our classroom.

Gerringong PS Boccia Team have been practising and learning new skills to compete in the NSW School Inclusive Sports competition to be held at Shoalhaven Indoor Sports Stadium in Bomaderry next Friday 19 May. We wish our team Good Luck!

SAVE THE DATE:

Next P&C Meeting 19 June 2023- Everyone welcome!

There has also been a clash of community events and a new date for our big Trivia Night Fundraiser will be rescheduled soon. Watch this space!

NAPLAN results

From 2023, **NAPLAN results** will be reported against 4 proficiency standards rather than numerical bands as in previous years.

NAPLAN reports will contain 4 easy-to-understand proficiency standards:

- Exceeding
- Strong
- Developing
- Needs additional support. The new reporting standards will provide parents, carers and teachers with simpler and clearer information about how students are performing. Read more on the ¹ACARA website². Parent reports available early Term 3.

Deadly News

Last week, 5CR started our Aboriginal Cultural Group Workshops with Uncle Drew, Uncle Steve and Auntie Kayla. It was a beautiful session with us taking part in a Smoking Ceremony in the Yarning Circle. We learnt that these ceremonies connect us to home, to each other, to the environment and allows us to get let go of negative feelings while strengthening the spirit that sits within us. We cannot wait to learn more throughout the term.

1G had a lovely time learning about Aboriginal Education during their cultural lessons with Gadhungal Marring. Thank you for sharing your knowledge with us so we can keep storylines alive.

Library News

Scholastic Book Fair

The Book Fair is happening, and our children are very excited about the great variety of books and stationery available. Thank you to everyone who has purchased items from the fair, it is so encouraging to see how our community supports school fundraisers. The fair will be in the library again this week on Monday, Tuesday and Wednesday. Children and parents can visit before and after school and during lunchtime. We receive commission on every item sold and this is used to purchase new books for school.

The Expression of Interest (EOI) lets you indicate which school(s) you would like your child to attend in Year 7. The EOI process opens online from 6 March-31 March 2023. We will email you the information After you submit an EOI and it has been assessed, your child will be offered a place at a high school. If your child is not attending a NSW Government high school next year, please let us know by completing a Placement Not Required form.

If you are unsure whether they will be attending a NSW Government school (you've applied for a private school, or you are moving interstate), we ask you still complete an EOI and follow up with your school once a decision has been made. The online process will guide you through your options and collect the information required to make the process as smooth as possible. For parents/carers who are not able to complete an application online, a paper EOI form can be collected from the school office.

For more information about moving to high school, visit Going to a Public School. For your school's EOI:

KG: Happy to receive feedback on this policy in the next P and C meeting.

Easter Egg Raffle- proposed date Thursday 6th April (last day of term).

Raffle tickets to be distributed to students for them to sell.

Jo Haynes to dress up in a bunny suit!

Suggest that the prizes were distributed to parents after the raffle was drawn rather than giving chocolate to kids to take home on bus.

LS comment: Need to ensure that P and C is acknowledged at the raffle so that kids are aware of the committee and its purpose.

Mothers Day

- Date for stall to be locked in (mothers day 14th of May) Tuesday 9th and Friday 12th May.
- purchase gifts and invoice school.
- Need committee for selling gifts

IDEA for FUNDRAISING GOAL: Grandstand for the students. This was previously quoted last year.

School gardening Grubs

- Gardening team had a walk around the grounds to understand the magnitude of the work required.
- Tom (maintenance) already doing 6 days per fortnight (lawns and general maintenance)
- Team has already done a few hours to tidy things up
- Suggesting a working bee one day per month- 1-2 hours perhaps early, straight after school drop off.
- Occasional major working bee!

Major plans

Netting to be replaced on the park area and the poles need to be re-concreted in.

Bare dirt area near climbing frame because mulch has been washed. This becomes very muddy after rain

What is an alternative solution to the mulch that will cover the ground?

Potting sheds to be removed.

Raised beds with flowers to be put in place.

Stu has a list of 20 volunteers from the Dads night that may be able to assist.

Questions:

Investigate the cost of mulch.

Agenda Items:**General Business:**

- Ross Lander- what is the mechanism for teachers to come ask for funding to purchase certain resources (eg skipping ropes).
- Suzy Astin: Suggestions of Class parents- a parent who sets up a way of communicating with other parents, helps manage any small issues.
 - How would this work on a practical basis?
 - KG- do we avoid social media but it needs to be simple.
 - RL anything that facilitates communication is a good idea.
- Leanne Stewart- feedback from parents regarding homework. To be discussed further at the next meeting.
 - KG: Survey Monkey to be used to ask the parents opinion on homework.
- Feedback on the 'meet the teacher night', presentation was very lengthy- was tricky for parents to go to multiple classrooms.

P&C Meeting 20th March 2023	6
-----------------------------	---

- Alex Morris to keep a spreadsheet of P and C members who are financial. Minimum 50 cent contribution required to be able to vote at meetings.
